

Definition and Cautionary Note

References in this presentation to "our Company" or the "Corporation" or "WEPL" refer to Wafi Energy Pakistan Limited. The words "we", "us" and "our" are used to refer to WEPL or to those who work for WEPL.

This presentation contains forward-looking statements concerning the financial condition, results of operations and businesses of WEPL.

All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are statements of future expectations that are based on management's current expectations and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in these statements. Forwardlooking statements include, among other things, statements concerning the potential exposure of to market risks and statements expressing management's expectations, beliefs, estimates, forecasts, projections and assumptions. These forward-looking statements are identified by their use of terms and phrases such as "anticipate", "believe", "could", "estimate", "expect", "goals", "intend", "may", "objectives", "outlook", "plan", "probably", "project", "risks", "schedule", "seek", "should", "target", "will" and similar terms and phrases. There are a number of factors that could affect the future operations of WEPL and could cause those results to differ materially from those expressed in the forward-looking statements included in this presentation, including (without limitation): (a) price fluctuations in crude oil and natural gas; (b) changes in demand for WEPL's products; (c) currency fluctuations; (d) drilling and production results; (e) reserves estimates; (f) loss of market share and industry competition; (g) environmental and physical risks; (h) risks associated with the identification of suitable potential acquisition properties and targets, and successful negotiation and completion of such transactions; (i) the risk of doing business in developing countries and countries subject to international sanctions; (j) legislative, fiscal and regulatory developments including regulatory measures addressing climate change; (k) economic and financial market conditions in various countries and regions; (l) political risks, including the risks of expropriation and renegotiation of the terms of contracts with governmental entities, delays or advancements in the approval of projects and delays in the reimbursement for shared costs; and (m) changes in trading conditions. No assurance is provided that future dividend payments will match or exceed previous dividend payments. All forward-looking statements contained in this presentation are expressly qualified in their entirety by the disclaimer contained or referred to herein. Audience should not place undue reliance on forward-looking statements. Additional risk factors that may affect future results are contained in WEPL Annual Report for the year ended December 31, 2024 [https://wafi-energy.com/wp-content/uploads/2025/04/Annual-Report-2024.pdf]. These risk factors also expressly qualify all forward-looking statements contained in this presentation and should be considered by the audience. Each forwardlooking statement speaks only as of the date of this Quarterly Investors and Analysts' Briefing on 28 October 2025. Neither WEPL nor any of its subsidiaries undertake any obligation to publicly update or revise any forward-looking statement as a result of new information, future events or other information. In light of these risks, results could differ materially from those stated, implied or inferred from the forward-looking statements contained in this presentation.

Corporate Briefing Session

Procedure

- Prior intimation of date, time and place was given through PUCARS along with a notice on the corporate website.
- Briefing is being held at the Wafi House Karachi in presence of CEO and CFO.
- Presentation has been published on the website before the session.

Format

- The session will be conducted by the management of WEPL.
- The session will be for the duration of 1 hour.

Agenda

01

Safety Brief

Safety First

Fire

- In case of fire, raise the alarm by breaking the glass of the fire alarm notification box
- Shout for help don't panic
- Attempt to put out the fire using a fire extinguisher only if you know how to use it
- Evacuate the building through the nearest emergency exit
- Follow the enclosed Evacuation Plan

Earthquake

- Stay indoors until the shaking stops
- Keep away from windows, glass partitions, mirrors, bookcases, tall furniture & light fixtures
- Take cover under a heavy table, desk or another piece of solid furniture and hold on
- As soon the tremor stops evacuate the building

Bomb Threat

 If you receive a bomb threat, stay calm and listen to the caller, note the information the caller passes on to you & immediately inform the Security Department

Evacuation plan

- o On hearing the fire alarm, do not panic, remain calm
- Treat every alarm that has not been announced as a real situation
- Evacuate the building by using the nearest emergency exit
- When exiting the building, walk in an orderly manner towards the assembly area
- Do not return to collect personal belongings
- Do not re-enter the building
- At the assembly area, wait for further instructions from the Fire Marshall

Analysis of Material Variances

Summarized statement of financial position

PKR In Million

Category	As At	Sep'25	Dec'24	Variance	Analysis	
	Property, plant & equipment	24,417	23,067	1,350	Increase in PPE mainly from network and asset investments, partially offset by depreciation.	
	Right-of-use Asset	10,445	6,739	3,706	Increased mainly due to new retail site leases, aligned with network expansion plans.	
	Stock in trade	39,974	45,624	-5,650	Stock-in-trade declined due to lower inventory levels.	
Assets Trade debts Short-term investments Bank balances	Trade debts	9,761	7,734	2,027	Trade debts increased primarily due to higher sales volumes and timing of collections from key customers.	
	Short-term investments	4,000	10,695	-6,695	Increase mainly on account of higher cash general during the year.	
	Bank balances	14,812	4,695	10,117		
Liability	Long-term lease liabilities	11,195	6,837	4,358	Increased in line with additional lease contracts for new retail locations.	
	Trade payables	73,347	73,904	-557	No major change from last year's balance.	

Summarized statement of profit or loss

PKR In Million

For the period ended	Sep'25	Sep'24	Variance	Analysis
Net revenue	342,966	321,997	20,968	Growth in revenue reflects volume growth during the period.
Admin and distribution expenses	15,564	18,066	-2,502	Expenses declined reflecting optimization of overheads and improved cost discipline across operations.
Gross profit	21,829	17,865	3,964	Last year there was a significant decrease in ex refinery prices.
Other income	1,626	4,242	-2,616	Last year other income included a one-off receipt of old outstanding Government receivable.

Revenue Drivers

Driving Sustainable Top-Line Growth | Wafi Energy Pakistan Limited

Fuels Business

- Sale of motor gasoline and diesel through an extensive retail network across Pakistan.
- Premium product offerings (V-Power) driving improvement and brand differentiation.

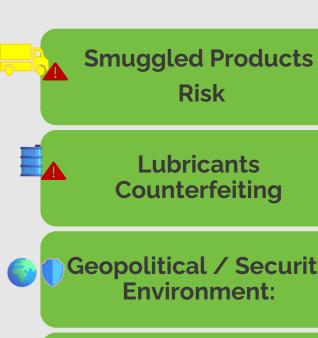

Lubricants

• Revenue contribution from lubricants sold via retail and B2B channels.

Non-Fuel Retail (NFR)

• Income from convenience stores and retail partnerships at fuel stations.

Key Business Risk

The presence of illegally imported fuels in border and rural markets exerts competitive pressure on volumes for the formal sector.

Counterfeit lubricants erode brand reputation and customer trust.

Geopolitical / Security

Regional geopolitical instability and domestic security concerns may affect logistics, staff mobility, and operational continuity.

Delay in regulated margin revision

The delay in revision of regulated margins pricing impacts Company's ability to timely recover cost due to inflationary pressures.

Sovereign Foreign **Exchange Reserves**

Tight foreign exchange reserves at the national level can impact timely LC openings and import payments.
